Global Ready Talent Programme

Nurture your next generation of talent through internships and overseas work opportunities.

Equip your talent pool for the world

Singapore enterprises looking to expand overseas need the right talent to compete effectively in the global market.

The Global Ready Talent Programme (GRT) supports you in developing promising young talent in your organisation – through internships in local and overseas offices. Build a pipeline of global-minded young talent for your business expansion into regional markets.

How will you benefit from this programme?

Recruit and develop promising young talent to remain responsive to market trends

Groom talent with in-market knowledge to support local and overseas expansion

Enhance your employer visibility and branding
