Programme Overview

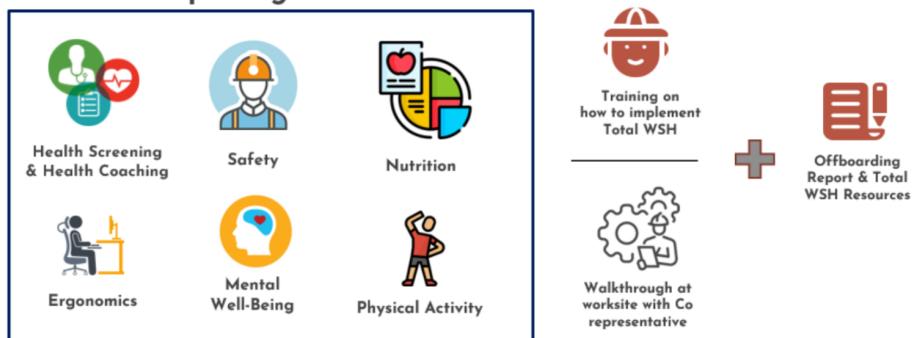

[Total Workplace Safety and Health \(Total WSH\)](#) is an approach that looks at safety and health together at work. It covers:

- safety;
- occupational health and
- personal health (including both physical and [mental well-being](#))

The Total WSH programme is a FREE¹ programme where WSH Council-appointed Service Providers will teach your company how to manage safety and health with modular activity packages below.

Choose from any of the below packages

¹ Terms & Conditions apply.

Benefits

- Reduces the risk of workplace injuries and ill-health
- Healthier and better staff well-being
- Lower absenteeism rate and healthcare costs
- Better business performance from more productive staff

Who May Apply

You may apply if your company is **based in Singapore** and is not currently engaged in any Health Promotion Board's workplace health outreach programmes.

Expected Timeline and Process

Your Total WSH service provider will guide you through the programme's onboarding, implementation, integration and sustainability, and offboarding phases:

 <p>Terms & Conditions Enjoy subsidies through the programme if they complete it within 12 months</p>	 <p>Kickstart meeting (1.5hr) With company management: <ul style="list-style-type: none"> • To choose suitable module based on company's needs • To garner management buy-in </p>
